COUNTY SUPERINTENDENT'S CERTIFICATE.

This is to certify that I have carefully audited the foregoing report and find (1) that the balances brought forward in the different accounts are the same as the balances on hand in these different accounts on August 31, 1923, as shown by the previous year's report, on file with the county commissioners' court; (20) that a proper classification of the funds has been

made, both in receipts and disbursements, according to Section 49, Chapter 124, Acts of the Twenty-ninth Legislature; (3) that the balance shown under each account, when added to the total disbursements under the account, give a sum equal to the total receipts in that particular account; (4) that the additions are correct; and (5) that the report is certified to and signed by the banking institution, private or incorporated, which was a depository of the district on August 31, 1924.

Certificate given this 7 day of Feb. 1925.

COMMISSIONER'S COURT OF RAINS COUNTY, TEXAS:

Be it remembered that on this the 19th. day of June, A. D. 1929, there was begun and holden in the town of Emory, the County site of Rains County, Texas, at the courthouse thereof, a Special term of the Commissioners Court of said Rains County, there being at such time present and presiding the Honorable J. T. Rushing, County Judge, together with other members of said Commissioners Court present, to-wit:

S. W. McDaniel, Commissioner of Precinct No. 1, Walter McGahee, Commissioner of Precinct No. 2, A. V. Terry, Commissioner of Precinct No. 3, M. L. Houston, Commissioner of Precinct No. 4, and there was also present Earl Sybert, County Clerk and Exofficio Clerk of the Commissioners Court of Rains County, Texas, and G. N. McTaggart, Deputy Sheriff of said County.

The court was duly opened and thereupon, among other things the following proceedings were had, to-wit:

IN THE MATTER OF SCHOOL LANDS BELONGING TO RAINS COUNTY, TEXAS, AND LOCATED IN CLAY COUNTY, TEXAS	§	IN THE COMMISSIONERS COURT OF RAINS, COUNTY.

Whereas the Commissioners Cour t of Rains County, Texas, by its order made and entered on the 12th, day of November, 1887, and recorded in Volume 2, on page 64, of the Minutes of said court, authorized and improved W. M. Lamb of Rains County in terms as follows: (Quoting from said order.)

" Ordered by the court that W. M. Lamb, of Rains County be, and he is hereby appointed agent of Rains County for the sale of the Rains County, School Land in Clay and Wichita Counties Texas, and that W. M. Lamb be and he is hereby authorized to executed deeds of conveyance to purchasers of any portion of said land sold in accordance with the order and to collect and receipt for any payments which may be made on such lands at the delivery of the deed thereof," and,

Whereas, in purviance of said order and authority above set out said Rains County by said W. M. Lamb as agent for said Rains County, did make, execute and deliver to G. L. Hickey, a deed dated February 1, 1888, and recorded in Book T, on page 130 of the Records of Deeds for Clay County, Texas, conveying to said G. L. Hickey a certain lot, tract or parcel of land situated in Clay, County, Texas, being a part of the Rains, County School Land described by metes and bounds as follows:

Beginning at a stone on the west boundary line of Jack, County, School Land; thence west 839 varas a stone 27 varas west from the northeast corner of the A. Brinkley Survey; thence north 1460 varas, crossing the railroad to the north boundary line of the right-of-way of the F. W. & D. C. R. R. thence with said railroad to the south boundary line of block No. Two (2) of said Rains County School Lands:; Thence east 327 varas to the northeast corner of block No. One (1) the southeast corner of block No. Two (2); thence south with the west boundary line of Jack, County, School Lands 697 varas to the place of beginning. The said sale as evidenced by said deed as recited therein was for and upon a consideration of Four& 00/100 ($4.00) Dollars per acre for said tract of land said to contain 124½ acres, and for which said G. L. Hickey executed his note in writing for $498.00 payable ten years from its date with interest at the rate of eight per cent per annum, and

Whereas, said note was thereafter fully paid, together with all interest thereon to J. P. Knight, Treasurer of said Rains County, Texas, and was duly credited to the permanent school fund of said Rains County as to the principal, and to the available school fund as to the interest, and on to-wit, the 13th, day of October, 1900, James A. Boyd as County Judge of said Rains County and J. P. Knight, as County Treasurer, of Rains County, executed, acknowledged and delivered to G. L. Hickey (acknowledging payment of said note and interest) a release of the vendor's lien retained in favor of Rains County in the deed aforesaid; and,

Whereas, Nolen T. Gaines and L. B. Moore by sundry mesne deeds and conveyances are now the

owners of the above described tract of land, and their titles has been questioned and refused because of the supposed and claimed insufficiency of the said order of the said Commissioners Court, above mentioned, and of any and all other orders of said court pertaining thereto, and it now appears and the court so finds that the consideration in said deed has been heretofore paid into the County Treasury of said Rains County, and the principal has been appropriated to the use and benefit of the permanent free school funds of Rains County as the law requires, and the interest thereof, appropriated and used for the benefit of the available school fund of said Rains County, and that in view of and because of the facts in the premises the title to said land ought to be confirmed and the said sale and conveyance to said G. L, Hickey ought to be ratified.

Now therefore the Commissioners Court of Rains County Texas, in session at the town of Emory at a special session of said court does hereby pass the following order, to-wit:

It is ordered by the court that the acts of the said W. M. Lamb in making said sale and deed of conveyance to said G. L. Hickey in his capacity as agent aforesaid, are now declared to have been the acts of said Commissioners Court, of Rains County, Texas, for and in behalf of said county and his said acts and deed are declared to be in all matters ratified and confirmed, and it is further ordered and declared that the said consideration aforesaid was paid into the County Treasury of said Rains County for the benefit of its public free school fund as hereinbefore stated, and the title to said tract of land is forever divested out of said Rains County and vested in the purchaser hereinbefore named, his heirs and assigns forever.

Done and passed by the Commissioners Court of Rains County, Texas, in session on the date following, and with the further order now here made that this order shall be recorded in the Minutes of said Court, and as further evidence of its due passage same is signed as the order of said court by the County Judge, and the Commissioners in attendance this the 19th, day of June, A. D. 1929.

And it further appearing to the court that at the time of the execution and delivery of said deed the said Chas. C. Crenshaw made, executed and delivered to Rains County his certain deed of trust securing the said indebtedness upon said land, but that said deed of trust has been lost or destroyed before being recorded, and it further appearing to the court that the said Chas. COMMISSIONERS COURT OF RAINS COUNTY
EMORY, TEXAS.

On this the 11th day of November, A. D. 1929, there being present and presiding, John T. Rushing, County Judge, S. W. McDaniel Commissioner of Precinct No. 1, Walter McGahee, Commissioner of Precinct No. 2, A. V. Terry, Commissioner of Precinct No. 3, and M. L. Houston, Commissioner of Precinct No. 4, Rains County, Texas, and Earl Sybert, Clerk of this Court;

Thereupon came on to be considered by the court the application and request of Chas, C. Crenshaw for the release of a certain deed of trust dated May 4, 1928, made, executed and deelivered by Chas. C. Crenshaw to John T. Rushing, Trustee, upon Labor No. 23, out of League No. 44 of the Rains County School Lands, to secure a note in the principal sum of $3647.70, dated at Emory, Texas , May, 4, 1928, and due on or before December 1, 1968, and more fully described in said deed of trust which is of record in Vol. 10, page 75, of the Deed of Trust Records of Hockley County, Texas.

And it appearing to the Court that the said Labor No. 23, out of League 44 of the Rains County School Lands had been conveyed to the said Chas, C. Crenshaw by two separate deeds, one deed conveying the East one half of said labor in consideration of the execution and delivery of a note of $1823. 85, and the other deed conveying the West one half of said labor in consideration of the execution and delivery of a certain promissory note for $1823. 85, and that the execution of one deed of trust covering the entire tract and purporting to secure a note in the principal sum of $3647.70 was due to an error and mistake in the execution of the instrument, and that it was the intention of the said Chas, C. Crenshaw and the said Rains County that separate deeds of trust should be executed upon each half of said labor securing the respective notes set out in said deed,

AND it further appearing to the court that the said Chas. C. Crenshaw has tendered properly executed deeds of trust, one upon the East one half of said labor 23 in League 44, and securing the note described in the deed from John T. Rushing, County Judge and Commissioner for Rains County, Texas, to Chas, C. Crenshaw, and the other upon the West half of said Labor 23 in League 44, and securing the note in the amount and on the terms set out in the deed from John T. Rushing County Judge, to Chas C. Crenshaw.

And it further appearing to the court that by reason of the mistake in the execution of said deed of trust, the said tract of land is apparently subject to a lien in double the amount intended, and after a full consideration by the court of said request, Walter McGahee, Commissioner of Precinct No. Two moved that said release be executed and the two new deeds of trust accepted, and A. V. Terry, Commissioner of Precinct No. 3, seconded said motion and request:

TO THE HONORABLE COMMISSIONERS'

COURT OF RAINS COUNTY, TEXAS.

Gentlemen:

In connection with the Road and Bridge fund of your county we make you the following proposition:

We will prepare the necessay bill to be passed by the special session of the legislature authorizing Rains County to refund all of it_ road and bridge indebtedness into bonds. We will furnish the County Judge copies of this bill to be delivered to your representative and senator who will introduce said bill to the legislature to be passed. The Court agrees to explain to their Representative and Senator the need of the passage of said bill.

After the bill has been passed and effective we will prepare all of the necessary orders incident to the issuance of the bonds. We will print the bonds and secure the approving opinion of a commercial bond attorney, such as Clay & Dillion of New York or Chapman and Cutler of

Chicago.

Said bonds are to bear interest at a rate of 6% per annum, payable semi-annually, both interest and principal payable at some designated bank in New York City, being in $1,000 denomination and maturing serially over a period of 40 years.

After sa id bonds have been so issued we will exchange the outstanding indebtedness against the Road and Bridge Fund now in the form of Scrip and Warrants, for the 6% Road and Bridge Refunding Bonds. We will take up the scrip as fast as possible and exchange them for bonds and use our best efforts in buying in the old warrants as fast as possible and exchange them for bonds.

For said services we are to be paid a fee of 2% on the principal sum of bonds delivered to us. Said fee is to be paid proportionately as the bonds are delivered.

This offer is made subject the refunding bonds being approved by some reputable commercial bond attorneys, such as Chapman and Cutler of Chicago or Clay and Dillion of New York.

Respectfully Submitted

Emory, Texas,
March 12, 1930.

TO THE HONORABLE COMMISSIONERS' COURT OF RAINS COUNTY, TEXAS,

Gentlemen:

In connection with the proposed Road and Bridge Refunding Warrants issue, in the approximate amount of $40,000, bearing interest at a rate of 6% per annum, payable semi-annually, both interest and principal payable at some designated bank in New York City; being in $1,000 denomination and maturing serially over a period of 20 years, we propose to take a 30 day option on such Rains County Warrants at a price to yield 7% over the life of the entire issue.

In the event we agree to exercise our option we will prepare all of the necessary legal proceedings necessary to issue the Warrants; print said Warrants and have them approved by a Commercial Bond Attorney without expense to the County.

After we agree to exercise our option, this proposal is still subject to the Warrant issue being approved by some Bond Attorney.

Said refunding Warrants are to be issued for the purpose of refunding $6,000 6% Road and Bridge Warrants now outstanding and approximately $34,000 of Road and Bridge scrip. We will use our best efforts in buying in the old Warrants and exchangeing them for the new refunding Warrants.

Respectfully Submitted,

H. C. Burt and Company,

by C. N. Burt.

Said tract containing 453.34 acres, more or less.

Lessee agrees to start a well on the lands of N. H. Martin on or before May 1st, 1930, and

drill same to a depth of 3750' unless granite or the Ellenberger linestone or oil or gas in commercial quantities is encountered at a lesser depth.

It is agreed that this lease shall remain in force for a term of five years from this date, and as long thereafter as oil or gas, or either of them is produced from said land by the lessee.

In consideration of the premises the said lessee covenants and agrees:

1st. To deliver to the credit, of the lessor, free of cost, in the pipe line to which it may connect its wells, the equal one-thirty-second of a one-eighth (1/256) part of all oil produced and saved from the leased premises.

2nd. In like manner and upon like payments or tenders the commencement of a well may be further deferred for like periods of the same number of months successively. Should the first well drilled on the above described land be a dry hole, then and in that event, if a second well is not commenced on said land within twelve months thereafter, this lease shall terminate as to both parties, unless the lessee on or before the expiration of said twelve months shall resume the payments of rentals in the same amount and in the same manner as hereinbefore provided. And it is agreed that upon the resumption of the payments of rentals, as above provided, that the last preceding paragraph hereof, governing the payment of rentals and the effect thereof, shall continue in force just as though there had been no interruption in the rental payments.

Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for all operations thereon, except water wells of lessor.

Lessee shall pay for damages caused by all operations to growing crops on said land.

Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

If the estate of either party hereto is assigned- and the privilege of assigning in whole or in part is expressly allowed- the covenants hereof shall extend to their heirs, executors, ad-

ministrators, successors, or assigns, but no change in the ownership of the land or assignment of rentals or royalties shall be binding on the lessee until after the lessee has been furnished with a written transfer or assignment, or a copy thereof; and it is hereby agreed that in the event that this lease shall be assigned as to part or as to parts of the above described lands and the assignee or assignees of such part or parts shall fail or make default in the payment of the proportionate part of the rents due from him or them such default shall not operate to defeat or affect this lease so far as it covers a part or parts of said lands upon which the said lessee or any assignee thereof shall make due payment of said rental.

The above described land is a part of a 906.69 acre tract conveyed to J. G. Leonard and wife, Virgie Leonard, on March 19, 1926, by Rains County, Texas, as shown by Deed recorded Volume 101, page 540 Deed Records of Clay County, Texas. In said deed Rains County retained one-thirty-second of the oil and mineral rights to said lands, but subject to the agreement that upon payment of the purchase price in full, by the said J. G. Leonard and wife, Virgie Leonard, the said one-thirty-second should be released by the said Rains County to the said purchasers; the unpaid amount of purchase money being evidenced by and secured by two Vendor's Lien notes each for the sum of $6347.00, due on or before April 10, 1936, and April 10, 1940, bearing six percent interest.

It is understood and agreed that upon the payment of the aforesaid indebtedness this lease shall terminate unless sooner terminated, for the reason that upon the payment of said purchase money the entire and undivided fee simple title in and to said land, including all of the oil, gas and other minerals will be vested in and owned by the said J. G. Leonard and wife, Virgie Leonard, or their heirs and assigns,

Lessor hereby warrants and agrees to defend the title to the above mentioned undivided interest in and to the lands hereinbefore described.

This lease is authorized by a judgment of the Commissioners Court of Rains County, Texas, made on the 3 day of May A. D. 1930,
