This the 14th day of March, A. D. 1932. Commissioners Court in regular session and the following members being present, to wit, J. H. Foster, County Judge, Earl Sybert , County Clerk, J. A . Abercrombie, D. B. Yandell, A. V. Terry and S. B. Oler, Commissioners, the question of County Surveyor being raised and on investigation the court finds that R. T. Pearson was elected at the general election held November, 4th, 1924, and qualified as such; that since said election and qualification there has been no one elected that qualified as County Surveyor and on further investigation we find that Article 18 of the Revised Civil Statutes of 1925 provides that whether elected or appointed under the laws of this State, each officer shall hold office for the term provided by law and until his successor is elected or appointed and qualifies: and it appearing from the record there has been no one elected or appointed County Surveyor of Rains County, Texas, since said election and qualification in 1924, we therefore hold that the acts of the said R. T. Pearson as surveyor of said county are valid and we will continue to recognize him as the duly elected, qualified and acting surveyor of Rains County, Texas. until some one is elected or appointed and qualifies as surveyor.

Whereupon came for consideration the matter of the payment of the interest due on certain Funding Warrants which have heretofore been issued against the Road and Bridge Fund of Rains County, Texas,

And it appearing to the Court that the Road and Bridge Sinking Fund of said County has not received the sufficient amount of money with which to take care of the payment of said interest due.

And it further appearing to the Court that the Courthouse and Jail Fund of said County has on hand at this time a surplus , above the amount which is needed to take care of the current expenses of same.

And it further appearing to the Court that it would be advisable to transfer the amount the amount of money which is needed at the present time to take care of the Interest due on said Road and Bridge Funding warrants, out of the Courthouse and Jail Fund into the Road and Bridge Sinking Fund, rather than to borrow the money for said purpose and pay a high rate of interest for same,

And it ~~further~~ also appearing to the Court that said Road & Bridge Sinking fund will soon have a sufficient amount with to pay the amount borrowed back into the Courthouse and Jail Fund and that by this method it will be a saving to the taxpayers of said County.

Yandell that the amount of $1160.00 be transferred from the Courthouse and Jail Fund of said County into the Road and Bridge Sinking Fund of said County for the purpose stated above, and Commissioner A. Levelland, Texas
Oct. 9th 1933.

I submit to the Court the following propsition On W ½ tract 3 in 42 will pay all taxes including 34 for the Int. to be carried, which Taxes will amount to around $75.00 .On E ½ 4 in 42 will pay all taxes including 34 75.00, but would want Int. cancelled so it would be the same as On W ½ of 3. on tract 6- would want it divided as to read E½ & W½ would pay all taxes on this tract including 34- Which will amount to around $150.00, but this a very undersirable tract & is high according to my opinion.

E½ at $12.-- per a W ½ at 16 per a will pay Int. on E½ of 3 in 42 up to Feb 10- 1934 which will amount to around $100.00, this all will amount to around $500 including the taxes on E½ of 3 in before I could realize anything from the land. If you accept this proposition I will take charge of this land & do all I can to work out all Int. to date in 1934. which I believe I can do.W.C.Elliott

Yandell, Commissioner, Prect.No. 2; S. B. Oler, Commissioner, Prect. No. 4; E. M. Mason, County Judge, there came to be heard proposition of D. W. Wiley, of Wichita Falls, Texas, to pay this County the sum of ($9,973.59) Nine Thousand Nine Hundred Seventy Three Dollars Fifty Nine Cents, as follows; to-wit $6,000.00 in cash, $3,973.59 in Vendors Lien Notes, as follows: $1,000.00 due March 26th, 1935, $1,000.00 due March 26th, 1936; $1,000.00 due March 26th, 1937 and $973.59 due March 26th, 1938, with interest at the rate of 7% per annum from date, and interest payable annually as it accrues, in full settlement of his debt to Rains County evidenced by two promissory notes for $6,347.00 each dated March 19th, 1926 and due one note April 10th, 1936 and one note due April 10th, 1940, total amount of said notes $12,694.00 bearing interest from date at the rate of 6% per annum and payable annually as it accrues, said promissory notes signed by J. G. and Virgie Leonard of Clay County, Texas, and the said D. W. Wiley having purchased land covered by said notes from J. G. Leonard on the 25th day of November A. D. 1931, subject to said indebtedness, and which said sum of Nine Thousand Nine Hundred Seventy Three Dollars Fifty Nine Cents ($9,973.59) is to be paid by the said D. W. Wiley, as above stated in compromise settlement of his indebtedness, and also in consideration of a conveyance of the title to the 906.69 acres of land hereinafter referred to. And thereupon in consideration of said proposition it was made to appear to the Court that on March 19th, A. D. 1926, J. S. Smiley, County Judge of Rains County, Texas, had executed to the said J. And it was further made to appear to the Court that the said Leonard had paid two years interest on said indebtedness to Rains County, but that the said Wiley was now unable to pay and satisfy the full amount of which would be owing upon said promissory notes, and in the opinion of the ~~xxix~~ Court the said Wiley is not only unable to pay the full amount owing upon his said promissory notes as above stated, but such amount of money cannot be made under execution against him, and that the only available property out of which the collection of the debt to this County could be enforced, is the 906.69 acres respectfully hereinbefore specified and upon which the Vendor's Lien exists to secure the payment of said notes, and that the said land is not probably worth, and would not bring at execution sale more than Nine Dollars per acre, and it further appearing to the Court that the enforcement of said Vendor's Lien would be accompanied with great expense to this County, and in the opinion of the Court the said 906.69 acres of land are not worth and would not sell for the said sum now offered by the said

Wiley, for the settlement of said debt and in consideration of a conveyance of the title in fee simple to said 906.69 acres, accordingly it is considered by the Commissioners Court of Rains County, Texas, that it is to the interest, in all things in the premises, of said County of Rains and its School Fund, that the proposition of said Wiley to pay ($9,973.59) Nine Thousand Nine Hundred Seventy Three Dollars Fifty Cents in settlement of said indebtedness be and the same is hereby accepted and the Honorable E. M. Mason, County Judge of Rains County, Texas, is hereby expressly made, constituted and appointed the agent and attorney in fact of this County of Rains and as such expressly authorized and directed upon the receipt by him from the said Wiley the sum of Six Thousand Dollars ($6,00.00) and the execution and delivery of three promissory notes in the sum of $1,000.00 each due March 26th, 1935, 1936 and 1937 respectfully and one promissory note in the sum of $973.59 due March 26th, 1938, said notes bearing interest from date at the rate of 7% per annum, payable annually as it accrues, to deliver to the said Wiley the said promissory notes for $12,694.00 above mentioned and executed by the said J. G. and Virgie Leonard as satisfied in full and to release ssid vendor's lien now existing to secure their payment and also to execute and deliver to the said Wiley a deed of conveyance in fee simple with general xxxxxxxx covenants of warranty of the said 906.69 acres of land above mentioned.

It is the purpose and intention of this order to cancel deed executed to J. G. Leonard, covering the above mentioned land, dated March 19th, 1926, and to authorize and instruct E. M. Mason County Judge to execute deed to D. W. Wiley, as per above consideration.

The Commissioners Court of Rains County met in Special Session March 31st, with all members present.

E. M. Mason, County Judge, was authorized and instructed to purchase from H. C. Burt and Company of Dallas, Texas, $12,000.00 Rains County Road and Bridge 6% Warrants, for the benefit of the Rains County Permanent School Fund, at 66-2/3 cents on the dollar, and to be paid for from the Permanent School Fund, as follows: $7,800.00 to be paid to H. C. Burt and Company and $200.00 to be paid to County Treasurer of Rains County, Texas, to re-imburse the said Rains County for funds advanced to purchase a like amount of said Warrants on March 24th, 1934.

Said Warrants to be paid for as follows: $7,000 from the permanent school fund and $200 plus the amount of interest out of the Road and Bridge Warrant sinking fund.

It is the intention of the Commissioners Court to exchange the $12,000 6% Warrants for $7,000 of 5% Road & Bridge refunding bonds, authorized by the Commissioners Court on March 15, 1934, as soon as the Attorney General approves the refunding bonds. The said $7,000 refunding bonds to remain an investment of the permanent school fund.

It is further ordered by the Court that the County purchase from H. C. Burt & Co., as soon as funds are available in the permanent school fund, an additional $12,000, or any part thereof, of the 6% Road and Bridge Warrants, at a price not to exceed 58 cents on the dollar plus interest. These Warrants as purchased are to be exchanged for refunding bonds on the basis of purchase price, which refunding bonds are to remain an investment of the permanent school fund.

These purchases are to be made from H. C. The State of Texas
County of Rains

On this 15th day of March, 1934, the Commissioners' Court of Rains County, Texas, was convened in regular session at the regular meeting place thereof at the Courthouse in Emory, Texas, with all the members of said Court present, viz.: E. M. Mason, County Judge, G. W. Luckett, Commissioner Precinct No. 1, D. B. Yandell, Commissioner Precinct No. 2, J. R. Ratliff, Commissioner Precinct No. 3, S.B.Oler, Commissioner Precinct No. 4, John E. Horton, County Clerk at which time the following, among other proceedings, were had, to wit:

Commissioner D. B. Yandell introduced a proposed order and made a motion that it be passed. The motion was seconded by Commissioner S. B. Oler. The motion was carried by the following vote: Ayes: Commissioners Luckett, Yandell, Ratliff and Oler. Noes: None.

The County Judge announced that the order had been finally passed. The order as passed is as follows, to-wit:

It appearing affirmatively that there are certain warrants outstanding and unpaid, constituting lawful indebtedness against Rains County, Texas, heretofore lawfully incurred for road and bridge purposes prior to May 21, 1931.

And it further appearing affirmatively to the Commissioners' Court that in the issuance of the warrants hereinafter described or in the issuance of warrants in lieu of which the warrants hereinafter described were issued, evidencing the expenditure of $2,000 or more, the

contract furnishing the basis for such expenditures was submitted to competitive bids after prior notice by publication, as required by the laws in force with reference thereto, including Chapter 177, Acts of the Regular Session of the 38th Legislature, and Article 2368, Revised Civil Statutes of 1925, except where any one of said warrants represents the aggregate amount of separate and independent contracts of purchase of materials and performance of labor, such warrants being issued to cover the aggregate total; and it further appearing that in the issuance of each of the warrants herein refunded evidencing the expenditure of less than $2000 and more than $500, the contract furnishing the basis of said expenditure was first submitted to competitive bids and said contract was awarded upon competitive bids in each instance at a regular term of the Court, excepting those instances where said warrants represent expenditures for work done under the immediate supervision of the Commissioners' Court and to be paid for by the day.

And it further appearing affirmatively to the Court that the indebtedness represented by all of said warrants constitutes legal indebtedness existing on May 21, 1931 and now outstanding.

And it further appearing affirmatively to the Court that under the provisions of Chapter 163, General Laws enacted by the Forty-second Legislature, at its Regular Session, in 1931, being the "Bond and Warrant Law of 1931," the Commissioners Court of Rains County is authorized and empowered to fund any and all legal indebtedness existing at the time said act became effective, being May 21, 1931, into bonds of said County, and to provide for the levy of an annual tax upon all the property within said County to provide for interest and sinking fund for the payment thereof.

It is therefore considered, ascertained and adjudged by the Commissioners' Court that the indebtedness represented and evidenced by the hereinafter listed and described warrants was lawfully incurred against Rains County for road and bridge purposes, and constitutes legal indebtedness existing on May 21, 1931, the time this act became effective, and that at the same time each item of said indebtedness was incurred a tax was levied for the payment thereof, and any interest thereon in all respects as required by the Constitution and laws of Texas, and that it is advisable and to the best interests of said County that said indebtedness should be funded by the issuance of Funding Bonds as provided in the hereinbefore described Chapter 163, General Laws enacted by the 42nd Legislature at its Regular Session, in 1931, to which reference is here made, for the following reasons:

1. The outstanding warrants sought to be refunded bear interest at the rate of six per cent per annum, whereas the refunding bonds to be issued bear interest at the rate of five per cent per annum, thus enabling the County to effect a large saving in interest on said obligations.

2. The issuance of said Refunding Bonds will permit the County to extend the time of maturity of said indebtedness, and place the $2000 defaulted warrants in current position, and avoid the possibility of default in payment of principal or interest on the remainder of said outstanding warrants.

That said indebtedness is duly evidenced by warrants of said County described as follows, to-wit:

Rains County Road and Bridge Funding Warrants, Series 1930, dated March 15, 1930, numbers 3 to 32 inclusive, in denomination of $1,000.00 each, bearing interest at the rate of six per cent per annum payable on March 15, and September 15 each year, and maturing serially on March 15, $1000 1933 to 1935 inclusive, $2000 1936 to 1942 inclusive, $3000 1943 to 1946 inclusive, $1000 1946, aggregating the sum of -------$30,000.00.

It is therefore ordered, adjudged and decreed by the Commissioners' Court of Rains County, Texas: 1.

That Funding Bonds of said County, called "Rains County Road and Bridge Funding Bonds,

Series 1934," be issued under and by virtue of the Constitution and Laws of the State of Texas, and particularly Chapter 163, General Laws enacted by the 42nd Legislature at its Regular Session, in 1931, in the amount of $30,000.00, for the purpose of funding and cancelling, and in lieu of a like amount of legal indebtedness chargeable against the Road and Bridge Fund of Rains County, existing on May 21, 1931, and now outstanding, evidenced by the hereinbefore described warrants, heretofore issued by said County, and which warrants are to be surrendered and cancelled and the Road and Bridge Funding Bonds hereby authorized issued to the holder or holders in lieu thereof, and that exchange of said Funding Bonds be made for said warrants, which exchange may be made all at one time or in parcels or installments.

more or less.

SECOND: This lease shall remain in force for 10 years from date hereof, hereinafter called the primary term, and as long thereafter as development, drilling or re-working operations are conducted on said land, and/or so long as any of said minerals is produced therefrom.

THIRD: If no well be commenced on said land on or before twelve (12) months from date hereof, Lessee and/or its assignees, if any, shall on or before said date pay or tender to the Lessor, in the manner hereinafter provided, the sum of twenty five cents ($.25), per acre, of the acreage held by each, which shall operate as rental and cover the privilege of deferring the commencement of a well for twelve (12) months from said date. In like manner and upon like payments, or tenders, commencement of a well may be further deferred for like periods of the same number of months successively; provided Lessee and assignees of the whole or any part thereof, shall be obligated to pay the rentals on only the portions of the above mentioned lands unsurrendered on the date of the accrual thereof, and on only the acreage held by each.

If, during the primary term hereof, in the absence of production on the lease, any well drilled thereon be a dry hole, then if operations for the drilling of another well are not commenced on said land within twelve (12) months after the first occuring rental date after said completion, lessee and/or assigns shall on the expiration of said twelve (12) months, resume the payment of rentals in the same manner as hereinabove provided; but during drilling of any well on any portion of this lease no rental shall be payable on any part of the lease, until the expiration of twelve (12) months from the first occuring rental date after the completion thereof, as a dry hole, and then only if operations for drilling another well are not commenced by said time and drilling on any portion shall inure to the benefit of the owners of the lease, and of any and all portions thereof; and it is agreed that on the resumption of rental payments, as above provided, the provisions above set forth for the payment of rentals and the effect thereof shall continue in force just as though there had been no interruption in the rental payments; and in like manner further development may be postponed after the cessation of production, if any, on this lease.

FIFTH: Should it be determined, in any lawful manner, after demand in writing by Lessor and/or assigns, that any Lessee and/or assigns is obligated to protect any portion of the land, covered by this lease, against drainage, then such Lessee and/or assigns shall have the option, in lieu of drilling an offset well or wells, to thereafter pay to Lessor and/or assigns, the royalty herein stipulated on one-eighth (1/8) of the oil and/or gas produced from the draining well or wells, after said demand, until an offset well is begun, and no claim can be made for drainage occurring prior to such demand or against owners of other portions of this lease.

SIXTH: Lessee to deliver to credit of Lessor as royalty, free of cost, in the pipe lines to which said wells are connected, the equal one-eighth (1/8) part of all oil produced and saved from the leased premises, which is hereby reserved to lessor in place; or, at Lessee's election, to purchase from Lessor such royalty at the market price prevailing at the time the oil is run into the pipe line or storage tanks; in which event, settlement and payment shall be made by Lessee on the 15th day of each month for the royalty so purchased during the

Payment to be made on the 15th of each month to cover the previous month.

NINTH: Payments due hereunder may be made by Lessee's check mailed, postage prepaid, on or before the day such payment is due to Lessor, or any one or more of them, at the above postoffice address, or to The First National Bank of Emory, Texas, for deposits to Lessor's credit, and Lessor, effective for the full term of this lease, hereby makes and constitutes said Bank, or its successors, his agent to accept all payments due hereunder, and same shall continue as the depository hereof during the life of this lease, regardless of changes in the ownership of said land, rentals or royalties, Should said depository, for any reason and without a successor, cease to do business, a failure to make any payment due hereunder shall not cause interest to accrue thereon or in anywise affect the rights of Lessee and assigns hereunder.

No change in the ownership of said land, rentals or royalties shall affect or bind Lessee until the purchasers thereof shall exhibit to Lessee the original recorded instrument of conveyance, or furnish to Lessee a duly certified copy thereof. Such evidence of ownership must be supplied at least sixty (60) days before the next succeeding rental falls due and before the same shall have been paid to original Lessor or assigns, otherwise, payment of rentals to the purchaser's predecessor in title or assigns shall bind said purchaser. TENTH: Should suit be brought involving the ownership of rentals or royalties accruing hereunder, or to foreclose a lien or charge against the fee to said land, rentals or royalties, then all payments accruing hereunder shall be suspended until the final determination of such suit; provided, also, if said land now is or hereafter becomes subject to delinquent taxes, liens of whatsoever nature, or other charges, which if unpaid might defeat Lessee's title under this lease, Lessee, at its election, may pay the same or any part thereof with all costs and penalties connected therewith, and for moneys so expended shall have a lien on said land; or Lessee, at its election, may deduct such expenditures from any rentals or royalties due or that may become due hereunder, and Lessee may pay any rentals or royalties on any liens, taxes or other charges against said lands.

Provided, also, should suit be brought involving the validity of this lease, or the base title of lessor to the land and/or minerals hereby leased, no rentals shall accrue and no royalties or rentals shall be payable to Lessor during the pendency thereof, and time shall be suspended and same shall not run during the pendency of said suit as against the term provided for in this lease.

ELEVENTH: If Lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided shall be paid to Lessor only in the proportion which his interest bears to the whole and undivided fee.

TWELFTH: When it is necessary for purposes of cultivation and is requested by lessor before they are laid, Lessee shall bury all pipe lines below plow depth.

THIRTEENTH: No well shall be drilled nearer than two hundred feet (200) to the house or barn located on said premises on the date of the execution hereof, without the consent of owner.

FOURTEENTH: Lessee shall pay for damages caused by its operation to growing crops on said land.

FIFTEENTH: Lessee and assigns may assign this lease in whole or in part and thereafter be relieved of all primary and future obligations arising hereunder, as to the portion assigned.

SIXTEENTH: Lessee and assigns shall have the right at any time, on the tender of payment of Ten Dollars ($10.00) to Lessor and assigns, or any of them, to surrender this lease in whole or in part in the name of Lessor, and assigns, or any of them, for the benefit of all parties, and all payments and liabilities thereafter to accrue under and by virtue of its terms, as to the portion released, shall cease and terminate. Said tender of payment may be made in the depository herein named, or by mailing to last known address of Lessor and/or assigns, and surrender may be delivered by filing same for record in the county where said land is situated.

SEVENTEENTH: The pbligations hereinabove mentioned, as well as all implied obligations hereunder, are to be understood as covenants and not conditions, or limitations, and the breach of same, in whole or in part, will not work a forfeiture, abandonment or termination of this lease, or cause a termination or reversion of the estate created by this lease, except those specifically required hereinabove to extend the primary term hereof. The judgment of the Lessee, when not fraudulently exercised, in carrying out the purposes of this lease shall be conclusive.

EIGHTEENTH: The provisions hereof shall inure to the benefit of and be binding upon the heirs, executors , administrators, successors and assigns of the parties hereto.

Executed the day and year first above written.

APPLICATION TO COUNTY OF RAINS

TO THE HONORABLE County Judge and County Commissioners of Rains County:

Comes now Fred A. Childers, and would respectfully represent and show to this court:

That he is the lessee in certain oil and gas leases executed by the following parties: J. V. Hart, F. F. Bozeman, John Bell and W. H. Cunnigham; that all of said parties are purchasers from Rains County of certain school lands lying and situated in Hockley County, Texas; that the said parties own the following lands, to-wit: J. V. Hart, owning the East One-half of Labor 11, League 43; F. F. Bozeman, owning the West One-half of Labor 11, League 43, and all of Labor 3, in League 44; John Bell, owning the East One-half of Labor 13, in League 44; W. H. Cunningham, owning Labor 1, in League 43.

Your applicant would further show that all of said land is up as collateral to certain

purchase notes executed by the above named individuals in favor of Rains County, and that the majority of said notes are in current condition at this time, but that the attorneys for the lessee request a ratification of the leases executed by the above named parties in favor of Fred A. Childers before they will accept said leases.

Your applicant would further show that the obtaining of the leases herein by the said Fred A. Childers will increase the revenue and profits of the property involved and will assist the owners thereof in meeting the payments due on said property to Rains County; that before any of the owners of Rains County school land will be able to lease their property, ratification or subordination of the Rains County lien against the said land must be obtained.

Your applicant would further show that it is to the advantage of Rains County, as well as their purchasers, that said leases be executed, as there will be no chance of oil exploration without the execution of same.

Your applicant would further show that by virtue of the execution of said leases all delinquent taxes will be paid out of the bonus money paid to the lessors, and thereby again benefit the collateral of Rains County.

WHEREFORE, your applicant prays this Honorable Court to enter an order ratifying the leases heretofore executed by the above parties on the property hereinabove described, and affirming their acts in so doing.

W. D. Girand, Jr.
Attorney for Fred A. Childers.

COMMISSIONERS COURT ORDER

COMMISSIONERS COURT]
RAINS COUNTY]

On this the 26th day of May, A. D. 1937, there being present and presiding Joel W. Lennon, County Judge, Jess Cochran Commissioner of Precinct No. One, W. F. Holmes Commissioner of Precinct No. Two, J. S. Scott Commissioner of Precinct No. Three and Eugie Lynch Commissioner of Precinct No. Four came on to be heard by the court the matter of Commissioners Court order dated May 10th 1937 in which order subordinations were ratified on certain leases which are to be executed by certain purchasers of Rains County School land and in which order the Court ratified certain subordinations to Vendor's lien notes held by Rains County for purchase price against the property so leased and which order further provided that all bonus received on each tract should be applied on the indebtedness to Rains County on the said tract, and since executing the order referred to above it has become evident to the Commissioners Court that there are certain delinquent taxes outstanding against certain tracts of this land and it further appearing to the court that such taxes should and ought to be paid, now, therefore, it is hereby ordered by the court that the above order shall be binding in all things except as herein after provided and such modification of above order is hereby ratified as follows:

FIRST: That any and all delinquent taxes outstanding against any tract or parcel of land covered by above named order shall be paid in full by Lessor from the Bonus due or to become due on such tract or parcel of land and that Rains County be furnished by Lessor, with Tax exemption receipts showing date of such payment and amount that has been paid on such taxes and that balance of such bonus, after all delinquent taxes have been paid in full, shall be applied on the indebtedness to Rains County as heretofore provided in Commissioners Court Order dated May 10th, 1937.

SECOND, That the lease executed or to be executed by W. H. Cunningham of Levelland, Texas on Labor No. 1, League 42 shall in all things be exempt from provisions of above named Court order and that all Bonus due the said W. H. Cunningham on Labor 1, League 42 shall be paid directly to the said W. H. Cunningham and Rains County hereby further ratifies the aforesaid

subordination subject to above named provision: namely, that all bonus shall be paid directly to the said W. H. Cunningham. The Court further indicates that the reason for making this exception to the said W. H. Cunningham is because of the fact that Rains County is selling to the said W. H. Cunningham a certain Labor of the Rains County School Land located in Hockley County Texas on which Labor Rains County has recently made Oil and Gas lease and thereby received Bonus and lease/in view of this fact, Rains County is releasing the Bonus Due the said W. H. Cunningham on Labor 1, League 43 to enable him to make down payment on the labor which is being sold to the said W. H. Cunningham.

THIRD, That the Court order made on May 10th 1937 shall be further modified in so far as it affects Labor No. 8, League 44 being leased by W. T. Johnson to which lease and subordination exception is hereby authorized as follows: That One Half of Bonus to be due from lease on the said Labor No. 8, League 44, shall be paid directly to the said W. T. Johnson and One half of said bonus to be applied on indebtedness to Rains County on the said Labor, and Rains County hereby further ratifies subordination subject to above exception: and after due consideration of above matters, W. F. Holmes Commissioner of Precinct No. 2 moved to ratify above named exceptions which move was duly seconded by Jess Cochran Commissioner of Precinct No. 1 and upon being submitted to Court for vote, and a vote was taken upon said motion which resulted as follows:

Jess Cochrán Commissioner Precinct No. 1, Yes

W. F. Holmes Commissioner Precinct No. 2, Yes

_____Commissioner Precinct No. 3, Yes

_____Commissioner Precinct No. 4, Yes

whereupon motion was declared carried and copy of same ordered recorded in minutes of Court.

To the Honorable Commissioner's Court of Rains County, Texas.

August Term, A.D. 1936.

We, the undersigned qualified voters living in voting precinct No. 5, Rains County, Texas, respectfully represent to you that those of us who live in the South portion of said precinct are required to travel an unreasonable distance in order to vote and many times there are times that a great number of qualified voters are physicially unable to go the distance that they are now required to go in order to vote, whereas if they were permiteed to vote at some place more convenient to them they would not lose their privilege and rights as a citizen; therefore we respectfully petition your honorable body to establish a voting precinct at Clarks Chapel, School District No. 21, in order that we may be given the privilege of casting our votes in any and all elections and to releive us of having to go an unreasonable distance, and be forced to wait so long after arriving at the polls before given an opportunity to vote.

Respectfully submitted.
